

30mm

50mm

The Topologic collection of knobs are available in the following materials and finishes.

Matte Brass

Aged Brass

Blackened Brass

Nickel Plated Aluminium

Care

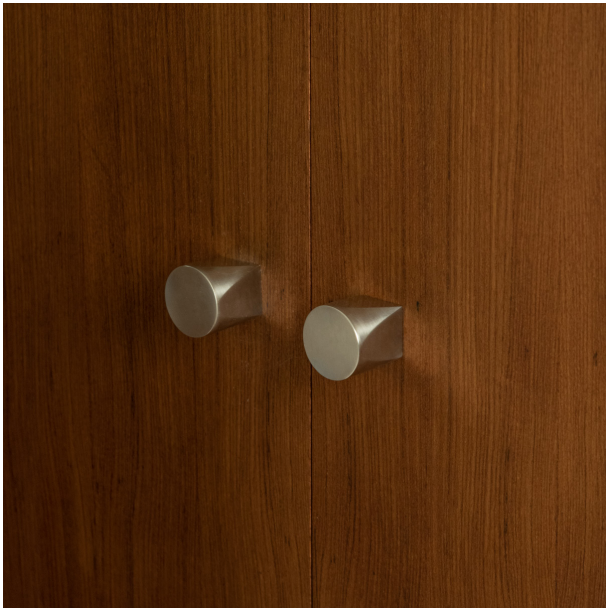

Brass can be polished when desired with any brass cleaning agent to recover its original shiny gold look. However, we recommend it be left to age naturally.

Blackened Brass can be wiped regularly with a dry cotton cloth.

Nickel Plated Aluminium can be wiped regularly with a dry cotton cloth. Clean as required with a mild detergent.

Casegoods was born out of a passion for materials, a commitment to the act of making, and an awareness of our impact as designers on the shared environment. Our products are rooted in the indian tradition of craft while remaining considerate to contemporary living.

We believe that the greatest form of sustainability is to produce work of lasting value. In that spirit we endeavour to design products that are simple, beautiful, functional and can be cherished for generations.
